Independent Auditor's Report

To the Members of HDFC Bank Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of HDFC Bank Limited (“the Bank”), which comprise the Balance Sheet as at March 31, 2022, the Profit and Loss Account, the Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Banking Regulation Act, 1949 as well as the Companies Act, 2013 (“the Act”) in the manner so required for Banking Companies and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with Companies (Accounts) Rules, 2014 as amended and other accounting principles generally accepted in India, of the state of affairs of the Bank as at March 31, 2022 and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“the ICAI”) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements for the year ended March 31, 2022. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
Identification of Non-performing advances (NPA) and provisioning on advances:

Total Loans and Advances (Net of Provision) as at March 31, 2022: ₹ 1,368,821 Crores

Provision for NPA as at March 31, 2022: ₹ 11,733 Crores

(Refer Schedule 9, Schedule 17(C)(2), Schedule 18(13))

Key Audit Matter

The Bank has material open tax litigations which involve significant judgement to determine the possible outcome of these disputes.

Significant management judgement is needed in determining whether an obligation exists and whether a provision should be recognised as at the reporting date, in accordance with the accounting criteria set under Accounting Standard 29 - Provisions, Contingent Liabilities and Contingent Assets ('AS 29'), or whether it needs to be disclosed as a contingent liability. Further significant judgements are also involved in measuring such obligations, the most significant of which are:

- Assessment of liability: Judgement is involved in the determination of whether an outflow in respect of identified material matters are probable and can be estimated reliably;
- Adequacy of provisions: The appropriateness of assumptions and judgements used in the estimation of significant provisions; and
- Adequacy of disclosures of provision for liabilities and charges, and contingent liabilities.

The Bank's assessment is supported by the facts of matter, their own judgement, experience, and advises from legal and independent tax consultants wherever considered necessary.

Since the assessment of these open litigations requires significant level of judgement in interpretation of law, we have included this as a key audit matter.

How our audit addressed the key audit matter

Our Audit procedures with respect to this matter included:

Testing the design and operating effectiveness of the Bank's key controls over the estimation, monitoring and disclosure of provisions and contingent liabilities.

Our substantive audit procedures included and were not limited to the following:

- Obtained an understanding of the Bank's process for determining tax liabilities, tax provisions and contingent liabilities pertaining to legal matters and taxation matters;
- Obtained list of cases / matters in respect of which litigations were outstanding as at reporting date:
  - For significant legal matters, we sought external confirmations and also corroborated with management’s documented conclusions on the assessment of outstanding litigations against the Bank;
  - For significant taxation matters, we involved our tax specialist to gain an understanding of the current status of the litigations, including understanding of various orders / notices received by the Bank and the management’s grounds of appeals before the relevant appellate authorities.
- Evaluated the merit of the subject matter under consideration with reference to the grounds presented therein and available independent legal / tax advice; and
- Agreed underlying tax balances to supporting documentation, including correspondence with tax authorities.
- Assessed the disclosures in the standalone financial statements.
Information Technology (“IT”) Systems and Controls

Key Audit Matter

The Bank has a complex IT architecture to support its day-to-day business operations. High volume of transactions are processed and recorded on single or multiple applications.

The reliability and security of IT systems plays a key role in the business operations of the Bank. Since large volume of transactions are processed daily, the IT controls are required to ensure that applications process data as expected and that changes are made in an appropriate manner.

Appropriate IT general controls and application controls are required to ensure that such IT systems are able to process the data, as required, completely, accurately and consistently for reliable financial reporting.

We have identified ‘IT systems and controls’ as key audit matter because of the high level automation, significant number of systems being used by the management and the complexity of the IT architecture and its impact on the financial reporting system.

How our audit addressed the key audit matter

Our Audit procedures with respect to this matter included:

For testing the IT general controls, application controls and IT dependent manual controls, we involved specialists as part of the audit. The team also assisted in testing the accuracy of the information produced by the Bank’s IT systems.

Obtained a comprehensive understanding of IT applications implemented at the Bank. It was followed by process understanding, mapping of applications to the same and understanding financial risks posed by people-process and technology.

Key IT audit procedures includes testing design and operating effectiveness of key controls operating over user access management (which includes user access provisioning, de-provisioning, access review, password configuration review, segregation of duties and privilege access), change management (which include change release in production environment are compliant to the defined procedures and segregation of environment is ensured), program development (which include review of data migration activity), computer operations (which includes testing of key controls pertaining to, backup, Batch processing (including interface testing), incident management and data centre security), System interface controls. This included testing that requests for access to systems were appropriately logged, reviewed and authorized.

In addition to the above, the design and operating effectiveness of certain automated controls, that were considered as key internal system controls over financial reporting were tested. Using various techniques such as inquiry, review of documentation / record / reports, observation and re-performance. We also tested few controls using negative testing technique. We had taken adequate samples of instances for our test.

Tested compensating controls and performed alternate procedures, where necessary. In addition, understood where relevant, changes made to the IT landscape during the audit period.

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Bank’s Board of Directors is responsible for the other information. The other information comprises the information in the Basel III - Pillar 3 disclosures and graphical representation of financial highlights but does not include the financial statements and our auditor’s reports thereon, which we obtained prior to the date of this auditor’s report, and the Annual Report, which is expected to be made available to us after that date.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor’s report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to Those Charged with Governance.
Responsibilities of Management and Those charged with Governance for Standalone Financial Statements

The Bank’s Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act and the Banking Regulation Act, 1949 and circulars, guidelines and directions issued by the RBI from time to time (the “RBI Guidelines”) as applicable to the Bank. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act and the RBI Guidelines for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Bank’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Bank’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Bank has internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management of the Bank.

- Conclude on the appropriateness of Management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor’s report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
Independent Auditor’s Report

We communicate with Those Charged with Governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide Those Charged with Governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Those Charged with Governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949 read with Section 133 of the Act and relevant rules issued thereunder.

2. As required by sub-section 3 of Section 30 of the Banking Regulation Act, 1949, we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and have found them to be satisfactory;

b) The transactions of the Bank, which have come to our notice during the course of our audit, have been within the powers of the Bank;

c) Since the key operations of the Bank are automated with the key applications integrated to the core banking system, the audit is carried out centrally as all the necessary records and data required for the purposes of our audit are available therein, though during the course of our audit we visited 94 branches.

3. As required by Section 143(3) of the Act, we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

b) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books;

c) The Balance Sheet, the Profit and Loss Account and the Statement Cash Flows dealt with by this Report are in agreement with the books of account;

d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 to the extent they are not inconsistent with the guidelines prescribed by the RBI;

e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act;

f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Bank and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”;

g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Bank has disclosed the impact of pending litigations on its financial position in its standalone financial statements - Refer Schedule 12, Schedule 17(C)(17) and Schedules 18(18)(c)(1) & (2) to the standalone financial statements;
ii. The Bank has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts - Refer Schedule 17(C)(7) and 17(C)(17), Schedule 18(11) and Schedule 18(18)(c) to the standalone financial statements;

iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Bank during the year ended March 31, 2022;

iv. 1. The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Bank to or in any other persons / entities, including foreign entities (‘Intermediaries’), with the understanding, whether recorded in writing or otherwise, that the Intermediary has, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Bank (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

2. The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been received by the Bank from any persons / entities, including foreign entities, that the company has directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

3. Based on the audit procedures which we have considered reasonable and appropriate in the circumstances and according to the information and explanations provided to us by the Management in this regard, nothing has come to our notice that has caused us to believe that the representations made by the Management under sub-clause (1) and (2) contain any material misstatement; and

v. The Bank has paid dividend during the year which is in compliance with section 123 of the Act.

Other Matter

The audit of standalone financial statements for the year ended March 31, 2021 was conducted by MSKA & Associates, Chartered Accountants, the statutory auditor of the Bank, who had expressed an unmodified opinion on those financial statements. Accordingly, we, M M Nissim & Co LLP, Chartered Accountants, do not express any opinion on the figures reported in the standalone financial statements for the year ended / as at March 31, 2021.

Our opinion on the standalone financial statement is not modified in respect of the above matter.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF HDFC BANK LIMITED

[Referred to in paragraph 3(f) under ‘Report on Other Legal and Regulatory Requirements’ in the Independent Auditor’s Report of even date to the Members of HDFC Bank Limited on the Financial Statements for the year ended March 31, 2022]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of HDFC Bank Limited (“the Bank”) as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Bank for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Bank’s Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the “Guidance Note”). These responsibilities include the design, implementation and maintenance of internal financial controls with reference to financial statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Bank’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Bank’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Bank’s internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls With reference to Financial Statements

A Bank’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Bank’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorizations of management and directors of the Bank; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Bank’s assets that could have a material effect on the financial statements.
Inherent Limitations of Internal Financial Controls With reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Bank has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2022, based on the internal control with reference to financial statements criteria established by the Bank considering the essential components of internal control stated in the Guidance Note.
